'93 SUMMER WHUS PROGRAM SCHEDULE

"The times, they are a'changin!"
- B. Dylan

With the word "change" being used with such reckless abandon these days, we at WHUS feel that in order to best serve the community and UCONN's student population in a constructive way, we too must also jump on the bandwagon. Fine-tuning a program schedule is the ongoing process by which a radio station can best serve its' own needs and those of its' listeners.

Our jazz programming has been altered such that there will be morning jazz programming on Mondays and Fridays from 5:30 to 7:30, and cut back an hour during the daily jazz slot. You'll also notice a shift in our evening schedule with a prime-time rock slot from 6 to 8 PM and Nite Music being pushed up to the 8 to 11 slot.

If you have any suggestions as to further changes we should make, please let us know. Call us anytime at (203) 486-4007.

FOCUS ON: Nite Music

Currently the "Nite Music" slot has been doing some inside renovations. Many things about nite music are going to change including the name. The nite music staff has decided to come up with a name that more defines the kind of music being played. Such as R&B, Rap, Jazz, Reggae, African, and Dance music. And because we all know that much of this music is played at other times beside the night it no longer seems an appropiate name for the slot. The nite music DJ's have been brainstorming to come up with the perfect name for the slot. So far the choice seems to be "Urban Styles". This name has a nice ring to it and will bring the "nite music" slot into the ninties. However along with the name change nite music has made other internal changes. A number of new nite music DJ's have been added to the list along with Chris Alexopoulos, there's Rock and also Doc 9, yes Doc 9 has returned to nite music and he will be on Monday nights instead of Fridays, Chris will be on Tuesday nights, Rock will be on Wednesday nights, Kool C will still be on Thursday nights and Simona Jones will remain on Friday nights with "Shades of Blackness". Along with a new name and a new staff the nite music slot has been appointed a new music director Mike Watson formally Uncle Choc'late will take over the role as Urban Styles Director. With all these changes the Urban Styles slot seems destined for greater things to come. If you have any suggestions or comments send to Mike Watson at 2110 Hillside Rd., Storrs, CT 06269.
